

### Communication and Language

We will be continuing to work on communication and language this half term.

We will be modelling full sentences and extending the children's vocabulary based around our learning.

Adults will be leading activities in the different learning areas communicating with the children.

Performing our Christmas Nativity.

Term - Autumn 2      Reception

### Personal, Social and Emotional Development

During the half term we will be learning about following rules, taking turns and working with our friends.

The children will continue to develop confidence speaking to adults and in small groups.

What an amazing first half term we have had settling your children into school, getting to know them and familiarising them with the school routine.

Please can you ensure that the children bring their school water bottle in every day.

The children need to bring in small school book bags so that they can go into their trays.

Reading books and library books need to be returned to school every Monday so that we can then give out new ones.

We have an exciting half term ahead of us which includes our Nativity Show.

### Physical Development

Outside we have access to a range of bikes, scooters to develop gross motor skills.

Dough Disco and Funky Fingers activities throughout the week to develop fine motor skills.

PE Passport - Dance (Seasons)

MON	TUES	WED	THURS	FRI
		Woodland Wednesday pm	R1 & R2 PE Day	

### Literacy

- Recognise some initial letters.
