

Dear parents/carers,

Well, we made it! And I do mean 'we' - this may not have been the year we hoped for but there have been positives and one for me has been the strengthened partnership between school and home and I hope we can retain this in September and build on it further. I have said it before, but we are immensely proud of your children; both for their time in school and their time at home. They have shown great resilience and determination to continue their learning and these are great attributes that will help them in the future. I would like to say a final goodbye to Year 6 ; I was privileged to join in their 'Leaver's Assembly' zoom last night and it was so nice to have the opportunity to see them. We wish them well for the future.
Have a lovely summer and we will see you all again in September.

Take care and stay safe. Mrs Bentham
