NEWSLETTER

Dear parents/carers,

I hope this letter finds you all well. We have had another great week in school; it has been great to have the classrooms full of children's chatter and laughter again! I am extremely proud of their resilience and commitment to their learning in these challenging times. The children working at home are producing some impressive work too and this week we have seen some amazing writing—well done! Next week is Children's Art Week so look out for the messages teachers will be sending about this.

Take care and stay safe.
