

Nursery places for September 2022

We still have full and part time places available in our Nursery.

If you have a child, or know a child, who was born between September 2018 and August 2019 and are looking for Nursery provision, then look no further!

Please have a look at our website (www.norden.rochdale.sch.uk) and ring our school office to arrange a meeting with a member of the leadership team and a tour of our school.

We have a fantastic Early Years Unit that is run by our hard working and friendly staff who plan and deliver a stimulating curriculum based on play. Our Nursery is teacher-led and we have a range of outdoor areas for the children to use including our extensive fields and woodland area.

We also have super before and after school provision (as well as holiday clubs) so we can help with childcare to fit in around your work commitments.

If you would like to get in touch then please ring **01706 641013**
