# NEWSLETTER

Dear Parents/carers,

I hope this newsletter finds you all safe and well. We have had another great week in school and are now at full capacity. We have all appropriate rooms in use and all staff have clear roles working either physically in school or providing remote learning and communication from home. I am afraid this means that we cannot accept any more children for the rest of the term. School will not be open for any pupils over the Summer holidays but the good news is that we have now received guidance from the government regarding opening to all year groups in September. We will be adapting our risk assessment and recovery plan to ensure we can provide the very best provision for your children in the safest environment possible. We will be in touch with more information in the near future.

Take care and stay safe.

## Star of the Week

### Bubble 1 (Yr N/R)

#### Tigers

Toby A

for super phonics, reading and writing.
