NEWSLETTER

Dear parents/carers,

Welcome to the first edition of our new weekly newsletter!

I hope you are all keeping well and staying safe. This week we have opened our doors wider to more key worker children. A big thank you to all those children and families for ensuring this week has run smoothly. We look forward to seeing more of you next week as we open to Year 6 and Year 1.

To those of you still working from home, keep up the good work. We saw a slump in families engaging in remote learning after half term but now the numbers are building up again which is great news. Keep up the good work everyone and a special well done to our stars of the week from the bubbles in school and the classes working at home.
